Herman Kimsey

Herman (Kim) Kimsey, 54, chief of special projects for Security Associates, died Sunday of complications following heart surgery at George Washington University Hospital.

Mr. Kimsey had held his post with Security since 1964. He was also a consultant on security matters for foreign corporations. From 1953 to 1962, he was chief of special analysis research for the Central Intelligence Agency.

He was born in Gallup, N.M., and belonged to the Royal Knights of Malta. He lived at 1701 16th St. NW.

He is survived by two brothers, James, of Yreka, Calif., and Garnett, of Palo Alto; and two sisters, Mrs. Willard Linebarger, of Redding, Calif., and Mrs. Donald Nelson, of Sacramento.
